

I am a mother of 3 children. I do not want to spend my time at night answering the phone only to hang up on the telemarketer. I urge you to keep Wisconsin's No Call List law as it is. I also work with the elderly. They love the 'No Call List'. It gives them peace of mind that when they do receive a call it is someone who wants them and are not trying to sell them something.

We do not to be exposed to telemarketing!!
